

**AMENDMENTS TO THE SPECIFICATION:**

On page 7, lines 17 through 21, please amend the paragraph as follows:

Fig. 2 is an enlarged view of the operating part 5. The above-mentioned bill loading part 52 comprises a bill guide plate ~~[[51A]]~~52A and a mounting member 52B. The bill guide plate 52A and the mounting member 52B are integrated together and mounted to the operating part 5. The mounting member 52B forms a part of the door 3.
